This office premise and warehouse complex is placed on excellent location, close to main post office warehouse and inclusion to Novi sad and Zagreb highway. New Danube bridge is as well in the near vicinity. The position of the building is desirable because of the business and commercial surroundings and large frequency of traffic. Building has been recently built, nicely maintained with direct access form the street, and video surveillance. The space is functional, spacious, three-side oriented, modern and bright. Fully equipped kitchen, and two restrooms are at disposal. Secured with alarm system, has Internet connection, air-conditioner. Parking space for five vehicles is reserved for future client.
