A nice apartment, with characteristic high ceilings in pre war building, in the heart of Vracar, accross the Kalenic green market, in street with high frequency of traffic which connects this location with rest of the city. In the near vicinity there are numerous public transportation stations, as well as variety of comercial and service content. The apartment is housed on the third floor of well maintained building with an elevator. Entrance part leads to the hallway which connects all rooms in the apartment. Living room, bedroom with king size bed, one small room which can be used as children's room or a study, bathroom with a bathtub, spacious kitchen with dining area and a terrace are at disposal. Interior is completely furnished in modern and classical well preserved furniture pieces. The space is clean, air-conditioned and has all necessary elements for comfortable life. Suitable for a couple.
