Placed on a sunny slope, in a heart of residential zone of Senjak, is this modern villa, building of an exquisite quality and functionality. Peaceful street with minimum traffic, ideally positioned toward number of international schools in surrounding. Also, it is only few minutes away from commercial zone of Senjak, but at the same time surrounded by parks and lots of greenery, that makes Senjak one of most beautiful parts of Belgrade. Building is housed in on of larger plots in area, and usage of space is at maximum, to achieve all standards of modern living. House access is made in multi-way staircase, while parking lots are on a both side. Side area of a house are covered with lawns, while back area of yard, which is private zone, contains outdoor swimming pool with paved path and lawns. Perfectly organized for moments of relaxation, or convenient for organizing a parties. The villa itself is functionally divided into two units, with a similar layout. A feature of this house is number of rooms - bedrooms, which makes it quite suitable for diplomatic representation or commercial property. The interior is of simple appearance, which enables decoration with personal taste. rooms are comfortable, and since the house is on top of a hill, they are abundant with sunshine and light. A large number of terraces, large parking area, swimming pool, and above all its position, are just some of the benefits that this house offers to a future tenants.
