Smaller office building, built in the pre-war period, completely renovated. It occupies four levels. On the ground floor there is a reception area and 7 offices of different square footage, some of which are connected. The upper levels have similar layouts with total of 15 offices. On the -1st level there is a kitchen, as well as several additional offices and storage space, a server room and technical rooms. Very functional office space suitable for various activities. It has a smaller yard.
