Attractive, renovated apartment, located in a small, quiet street in Vracar. An older building, well maintained but without an elevator. The apartment has a living room connected with a kitchen, which is partially separated by a bar. From the living room there is an access to a beautiful terrace, surrounded by greenery. Bedroom is very spacious, with large closets and a double bed. Bathroom is completely new, modern, with a shower cabin. Furniture is mostly new, modern and nicely integrated into the interior. Very nice, bright and comfortable space, suitable for a couple, mainly younger, due to the lack of an elevator. There is one parking space available in front of the building.
