A nice apartment in a relatively new building in Vracar. The street is small and very quiet, placed between the Kalenic green-market and St Sava temple. The building is beautiful and well maintained. It has a garage in the basement level with one garage space reserved for a tenant, with extra charge. The apartment consists of a centrally positioned living room which leads to all other rooms. Both rooms have access to a small terrace. The kitchen is separate, comfortable and fully equipped with appliances and dishes. The bathroom is nice with a bathtub, while bedroom has a double bed and a closet. Suitable for a single person or a couple.
