This new and modern apartment is located within complex of West 65, in close proximity to Airport City business complex. Close surrounding features Delta City shopping mall and several hypermarkets. Excellent traffic connection to all main streets provides easy access to city center, airport or other parts of city. As well, there are bus stops for several lines, few minutes away from the apartment. Complex follows modern design combined with styled wooden details, and it presents real architectonic refreshment on New Belgrade. Building features playground for kids, nicely arranged front area and physical and technical security 24/7. Underground level is reserved for garages, linked by elevator to apartment units. Apartment has one bedroom with double bed, large living room that opens toward terrace, bathroom with bathtub and smaller kitchen furnished with top quality appliances. It is equipped with new modern furniture, combined modern and classic style. Whole complex as well as this apartment has modern system of heating and cooling, installed in floors. It is very bright and comfortable space with pleasant interior.
