This apartment is placed on first floor, of an older building, in city center, near Terazije square. It is not far from hotel Moskva, and only few minutes walking distance from pedestrian zone, or Zeleni venac farmers market. Street is busy, but building is withdrawn from street, and linked with passage with other street where public garage is. Apartment is made of linked rooms: entry hall, living room, bedroom, dining room with kitchen and bathroom with shower cabin. It is furnished with new, classic furniture of elegant style. One bedroom is bright and spacious, and it has double bed and wardrobe. Unusually, ceiling is bit lower than standard (2,20m), but apartment is still cozy, nicely arranged and well located.
