Apartment is located on top floor of a post-war building, within Paviljoni in New Belgrade area. It comprises several blocks of buildings, close to old Mercator building, green market, two primary schools, kindergarten, bus turnover. Location very enjoyable for living. Apartment is annex, on last floor, under slopes. It consists out of compact living room area, partly separated from dining room and kitchen, then two bedrooms and bathroom with shower cabin. Larger bedroom has double bed and lot of fitted closets, while second room has nice size, and it is furnished with single, kids bed. Dining area has exit to very nice, comfortable terrace, overlooking surrounding buildings and yard. Bathroom has very small bathtub, almost like shower, but in general it is spacious. Apartment is fully furnished with newer, classic furniture. Pleasant atmosphere makes it suitable for different types of tenants.
