The house situated in center of Zemun close to pedestrian zone, park, and river bank. This relatively recently built house spreads over three levels and has nicely maintained facade and a garage. High ground floor consists of one large room, fully equipped kitchen, bathroom with shower cabin and an exit to a yard. First floor contains two large rooms, bathroom and spacious terrace. Large open space, bathroom with jacuzzi bathtub and roof terrace with a beautiful view towards the Gardoš is the structure of the last level. House at excellent location suitable for business activities or a hostel.
