Nice apartment placed in the very city center close to Student's park and at walking distance from Knez Mihailova street. Excellent and quick connection is provided towards all parts of the city, and variety of necessary content for nice life makes this location desirable. The building is relatively new with an elevator and parking space in the underground level. This apartment with functional layout is housed on the fifth floor. It consists of living room, kitchen with dining room, two bedrooms, bathroom with bathtub, toilet and a terrace. Living room is equipped with a fireplace. Bedroom is furnished with king size bed and closets. The apartment is furnished in modern, modest manner and has everything for comfortable life. Suitable for a single person or a couple.
