Apartment is housed on pre-war, styled building on strategic location. It is only ten minutes walking distance from Slavija square, or main train station, but also Mostar traffic knot or inclusion to the highway. Apartment is placed on first floor of building. It is fully renovated, including all installations, but with successfully kept sense of an old-styled apartment. High quality materials and appliances are built-in. This beautiful space is very bright, with dominant white color and specific ambience. It consists out of two large rooms connected with double door. One of the rooms has an exit to small balcony. Third rooms has view onto backyard and it has irregular shape. Beautiful kitchen has nice ceramics and top quality appliances. Part of the kitchen looks onto yard through glass wall and it opens to a second terrace. Bathroom and restroom are contemporary but classic at the same time. Interior is enriched with nice lights. It is convenient to be used as living space, but even more for business activities. For future tenants, there is a possibility to rent a garage space in a nearby building.
