Attractive office space housed in a brand new building, located in the very center of the city, in immediate vicinity of Kalemegdan Fortress and Congregational church. During construction only high quality, imported materials were used (ceramics, sanitary ware, parquet, lighting, carpentry). The apartment has an open space layout and two toilets, while it exits to a spacious terrace. Whole building has video surveillance and intercom, each apartment safety doors, while physical security is also at disposal. The electrical installation system implies a large number of sockets for computer and telephone equipment, and an optical cable is also introduced into the facility. In building's underground level there is a garage, whit one parking space available with the apartment.
