The shop placed at ten minutes walking distance from Arena in New Belgrade within block 22. This area is rich in small stores, coffee shops and markets. This shop consists of one room in the ground floor which has two-side orientation, while on the other side of the entrance there is space in front of the shop that also could be used. In the other part of the space kitchen and toilet are placed. The space has three water supply connections, so the shop could be divided into three smaller units. Shop also has three-phase power connection and two large display windows. Suitable for variety of business activities.
