A nice apartment placed in relatively new building in quiet part of the street. This location is preferred by families, for quiet life at only ten minutes driving distance from Kalenic green-market. The apartment is housed on the second floor of a building with an elevator and it is oriented towards the inner, quiet part on the opposite side from the street. Living room is centrally positioned also connected with kitchen and dining room. From this area one can access to two bedrooms. Living room exits to a small terrace, while bathroom is with shower cabin. Also one entrance hallway is at disposal. The apartment is for rent without furniture, but there is possibility to furnish a part o or the whole apartment. One garage space is at disposal in the basement level. The apartment is suitable for a couple, small family or a quiet business activity, .
