An excellent penthouse is located within a modern complex in the city center. The building has beautifully maintained yard with children's park, access ramps and security service. The building has two elevators, one of which leads directly into the living room of this apartment. The apartment is spread over two levels. At the upper level, is a modern, open living room interconnected with a kitchen. Large window surfaces provide fantastic view of the city from the interior of the living room. Two terraces could be accessed from the living room, one of which is spacious on the rooftop. At this level there is one separate bedroom with bathroom of its own and a separate toilet. Interesting shape of the space, interesting lighting and other interior details additionally contribute to the attractiveness of the apartment. The lower level consists of one central room and two separate rooms with own bathrooms and wardrobes. Modern materials, nice ceramics in the bathrooms, excellent parquet and quality equipment in kitchen are used for decoration of the apartment. In the basement, one parking space in the mutual garage is at disposal at additional price. Suitable for life of a modern man as well as for quiet business activity.
