An excellent apartment in complex Oasis, close to Vukov spomenik (Vuk's monument) and boulevard with large frequency of traffic. It is hidden between peaceful streets at only ten minutes walking distance from two green markets. On the ground floor of the complex, facing the street there are supermarket, pharmacy, and indoor playroom for children. The entire complex is covered with private video surveillance and security guards. Beautiful, maintained garden with fountain is placed in the center while on the basement level there is a garage on two levels. The apartment is housed on the second floor and it is turned towards the street. It consists of hallway, large living room, dining room and kitchen which are interconnected, bedroom, and bathroom. Modern, bright, comfortable apartment is furnished with new furniture. Ceiling height is between 3.2 m and 3.5 m. Bedroom has king size bed and closet, while kitchen is fully equipped with cupboards and appliances. Central air-conditioner and vacuum cleaner are at disposal, as well as one parking space in the garage for additional price. Suitable for a single person or a couple with high standards.
