Excellent new apartment, housed on the ground floor of a newly built building with an elevator located in Neimar, in vicinity of Juzni bulevar street. Good position, within only a few minute driving distance from highway inclusion, close to important commercial facilities, as well as main city traffic lines. The apartment has functional structure, it is fully equipped and very comfortable. It features a living room, which is connected to dining area and a kitchen. Kitchen has a terrace which is facing the building's courtyard. There is a bedroom at disposal equipped with a double bed and a closet, as well as a smaller study room. The apartment is abundant with natural light and has air conditioning.
