An excellent apartment located in a modern building in the city center in Central garden complex in the vicinity of Palilula green market and Botanical garden. Excellent connection to the rest of the city, allowed by several public transport lines which operate in this neighborhood. The apartment is housed on the third floor of the building with physical security and video surveillance 24/7. The building also has two spacious elevators, which connect the residential area of the building with the garage space in the basement of the building. The apartment consists of a spacious living room interconnected with dining area and kitchen. The living room and bedrooms have access to a terrace of 7 m² overlooking the inner yard of the complex. Spacious kitchen is equipped with quality appliances and elements. The entrance hall connects all the rooms and leads to two bedrooms, a bathroom with a shower and a toilet. One bedroom is equipped with a double bed, while the other is a children's room. The apartment is equipped with newer modern furniture, dominated by warm tones and a combination of pieces of furniture in wood texture. The interior has designed elements with quality built in appliances, ceramics, floors and lighting. A parking space in the building's garage is provided for the future tenant. Extremely comfortable apartment for a single person, a couple or a small family.
