A beautiful house of recent construction situated in the new neighborhood of Veljko Vlahovic . It is located in the lower part of the settlement, close to the roundabout, in a quiet, dead-end street. The house spread over three levels. The high ground floor is a large living room of about 60m² in total with a kitchen, which continues onto a large glass-in terrace. On this level there are also a bedroom, a bathroom and a guest toilet. The upper level contains three large rooms in a row, of which the middle one leads to the side two. A small kitchen is also on this level. There are three rooms and a bathroom on the ground floor. In front of the house is a large, flat yard equipped with furniture for children. The house is equipment as a children's playroom, and activities can also be taken over. It is also possible to remove all equipment and furniture for long-term lease.
