An excellent apartment located in New Belgrade, blok 29. Extremely quiet, not far away from busy boulevards, but close to shops and public transport lines. The apartment is housed on the fifth floor of a well-maintained building with an elevator. Very functional, spacious and two-side oriented. The entrance hall leads to the living room which is interconnected with the dining area. The kitchen is slightly separated and has an additional counter/bar and natural ventilation. The living room has access to a large terrace with an awning. The central hallway leads to the sleeping area and consists of four rooms and a bathroom with a hydromassage bathtub. On one side of the hallway, there are two children's rooms, furnished in bright colors. The other side is a room with a double bed and closets that has access to its own glassed in terrace and a study with built-in closets. Each room is air-conditioned and comfortable. The second bathroom with a shower is placed near the entrance of the apartment. Very functional, bright, fully painted and equipped apartment, suitable for a comfortable life for a large family. In front of the building there is a third zone parking lot.
