Beautiful and quiet location in the residential area of Senjak. Lots of greenery, easy access. In the immediate vicinity there is a green market, post office, several banks and stores. An older building, excellently maintained, with a small number of tenants. A large courtyard with landscaped greenery is in front of the building. One parking space is available, while garage space is payed extra, accessible from the back of the building. The apartment is housed on the first floor and has a functional room layout, it is three side oriented. Completely renovated with two terraces, which overlook the yard with lots of greenery. The apartment features an entrance hallway which leads into a spacious living room with a separate dining area, and a separate modern kitchen. From the living room there is access to the large room/library, which also has another door which leads to the entrance hall of the apartment. In this part there is also a smaller study room and a guest toilet. In the other part of the apartment there are two more bedrooms with a bathroom. The apartment has new aluminum carpentry, excellent ceramics, planed parquet, it has been painted. Very functional for both residential and commercial space. Extremely high-quality apartment in the heart of Senjak.
