Excellent apartment situated in a nice location in Mirijevo. It is located in a quiet area near the bus roundabout and a large Maxi market. The apartment is housed on the high floor of a building placed on a hill, so the view from the apartment and the terrace is phenomenal, open and green. The apartment is very spacious. By removing the partition walls in the living room, a modern open space concept was obtained - the living room was connected to the dining room and kitchen. The bedroom is separate and large. The bathroom has been renovated, and has a shower cabin. The apartment is extremely bright and airy. The windows span the entire length of the exterior walls. The apartment also has two terraces, one of which has access from the living room and the other from the kitchen. It is furnished with new furniture in a simple, minimalist way. Very bright, sunny, pleasant and comfortable space, suitable for one person or a couple.
