Excellent apartment in a new building in Vracar, in the immediate vicinity of the Red Cross. The location is ideal, due to the proximity of busy roads, which lead to the highway and the city center, only 5-10 minutes away. The apartment is housed on the third floor of a modern building, with good insulation, external decorative facade bricks and aluminum carpentry. It consists of a central corridor, which leads to all rooms, a large living room with dining area and kitchen, two bathrooms, two terraces and three bedrooms. The living room has access to a comfortable terrace. Kitchen has all appliances, elements and dishes. The entire apartment is equipped with new, modern furniture, with plenty of closets and details. It is very comfortable and suitable for families with children. An excellent ratio between the quality of the offer and the price.
