An excellent apartment in a house with a separate entrance and a yard of about 200 m² is placed between Zemun and New Belgrade, near Zelena Avenue and Lidl. The location is excellently connected to all parts of the city via Tosin Bunar Street. The apartment is completely renovated and furnished with new, modern furniture. The kitchen is new and equipped with all necessary appliances. There are two bathrooms with showers. On the upper level there are two bedrooms with large wardrobes and a bathroom. A large terrace of 30 m² is at disposal in the front, as well as a smaller one at the entrance that overlooks a separate courtyard. The apartment is extremely bright and functional. Although it is close to a very busy street, it is far enough away that it provides exceptional peace and quiet. The Kalvarija park is also nearby. An exceptional and unique apartment that rarely appears in the offer. One parking space is at disposal as well.
