The new warehouse is located 1.7 km from the tram and bus roundabout in block 45 in Novi Belgrade. It is made of panels, while the ceiling height is between 6 and 7 meters. The warehouse is situated on a large plot of almost a hectare, which can be accessed by tow trucks and where a large number of vehicles can be parked. The whole lot is fenced. The road to the warehouse is paved except for a few hundred meters before the entrance, where it is filled and compacted.
