A retail space in a very frequent location in the city center, near the intersection of two central, busy streets. Numerous public transport lines pass through this part of the city. The space spreads over two levels. The ground level occupies an area of 27m², has a display window facing the street and a toilet. On the upper floor are three rooms of different size, a storage room and a bathroom. This level has large windows facing the street. The space is suitable for various activities.
