Completely renovated space on the ground floor of a smaller building on Sunčana padina. Very nice location, close to Koštunjak forest. The apartment has a separate bedroom, living room connected with kitchen and dining room, bathroom with shower cabin. In front of the apartment is a part of the yard, paved, which belongs to the apartment and can be used as a terrace or parking lot. The apartment is furnished minimalistic, with new pieces of furniture. New, clean, fresh and tidy.
