Near the VMA hospital, in a quiet location with little traffic and lots of greenery, there is this unique apartment, which in terms of structure and atmosphere is more reminiscent of a house than a classic apartment. It occupies three levels and has a private, beautifully landscaped yard with greenery and a sauna, which provides a sense of intimacy and comfort. The apartment is accessed from the middle level. It has a modern kitchen, a spacious parlor/dining room, which has access to a large terrace from which a staircase descends to the courtyard, which is on the lower level. The lower level includes a large living room, a study, separated by sliding doors, which is illuminated through the living room, a large bathroom and a dining room. The upper level features three bedrooms, one of which is the master with a bathroom and walk-in closet, and it opens onto a large terrace facing the yard. On this level there is another bathroom, with a bathtub. The apartment is fully furnished with modern, carefully selected furniture in pastel colors and in good condition. One parking space in the garage is included in the price. Ideal for a family that wants comfort, privacy and peace in one of the most beautiful neighborhoods of Belgrade. Pets allowed.
