Nice apartment, placed in one way street in Zvezdara, on the edge of Zvezdara forest. The building was built about 15 years ago and is well maintained. The apartment is housed on the ground floor, but due to the configuration of the terrain (downhill) on the other side of the building, it looks as if it is on the first floor. Anteroom leads to all rooms. There is a living room with a dining room and a kitchen, and this area has an access to the terrace. The second part of the apartment consists of two bedrooms, one of which has a double bed, and the other has a fold-out bed. Both rooms have closets. One bathroom with a shower cabin and a toilet are at disposal as well. The interior is equipped with newer furniture of modern and classic design and quality built-in appliances.

Suitable for a couple or a small family.
