An older office building in lower part of Dorcol area, just a few minutes walking distance from the river bank. It spreads over five levels connected by a staircase and an elevator. A reception area with a porter is placed at the entrance. The levels are divided into offices by light partitions. Each level has men's and women's toilets, a kitchen, storerooms and utility rooms. Also, on each level there are two entrances from the staircase, so the level can be divided into two units. The building has a garage space for several cars, and it is situated in the parking zone 3. Suitable for various activities.
