Excellent apartment in a good location in the Stepa Stepanović settlement. It is situated at the beginning of the settlement near the school and kindergarten. The public transport station is right in front of the building. The apartment is oriented opposite the street where, due to the leveling of the terrain, it is higher than the height of the first floor. The public area is comfortable, it consists of a large living room interconnected with a kitchen and dining room and has access to one of the terraces. The bedrooms are large. One is equipped with a double bed, while the other is equipped with a sofa. Another terrace is accessed from the second bedroom. The apartment has plenty of closets/storage space. It is furnished with completely new and comfortable furniture. One parking space is available in the garage in the basement of the building.
