Apartment in a house located in the vicinity of Vuk monument. Quiet street, close to a busy boulevard, with variety of commercial content in the neighborhood. Entrance is through a small courtyard which is mutually shared with the apartment on the ground floor. The space occupies the entire floor and has three rooms and a large unit consisting of a living room with a dining area and a kitchen. One bathroom with a bathtub and a terrace. Floors are ceramic. In terms of functionality, the apartment is also suitable for business premises, in that case, furniture will be removed.
