The building consists of a warehouse with an area of 400 m², an exhibition and sales parlor with an area of 75 m², and an office area on the 1st floor that occupies 75 m². The warehouse has a truck entrance, with a roll-up door, from zero height, as well as a separate pedestrian entrance. Floor is made of concrete, the ceiling height is 6 meters. The exhibition area is 3 meters high, with large glass surfaces, extremely visible, with a separate entrance. It faces directly towards the railway and the main road Valjevo - Lapovo. There are tiles on the floor. The office space is located on the first floor of the building, directly above the show room. It is designed as an open space, with its own toilet and space for a kitchenette. Large glass surfaces provide a lot of light to the users of the space, which also faces the railway and the main road. Built-in halogen lighting, marble on the floor. The plot around the building is compacted, covered with gravel. The building is made of panels.
