Excellent office space in a commercial center in Karaburma, near the Big Fashion shopping center. Busy location, with plenty of commercial content. Several public transport lines pass through the street, and the transport station is in front of the complex. Asphalted parking is available within the complex. The space is located on the first floor of a newly built building. It has a multi-purpose character and can be adapted according to need. The building has an elevator, ceiling height of the upper floor is 2.5-4m, heating and cooling via inverter air conditioning, it can be partially rented. Excellent location for various business activities.
