A very charming pre war apartment in a building in the very center of the city. Quiet location, close to Skadarlija Market and only a ten minute walk from Republic Square. The apartment is located on the second floor, out of a total of three. The building has no elevator. It was completely renovated a few years ago. Extremely elegant interior, top-quality lighting, KNX smart home system for integrated management of various home functions, heating system with the help of a heat pump. There are three bedrooms available, one of which has its own bathroom, a storage room, another bathroom and a living room connected with a kitchen that opens onto a small terrace overlooking the street and the linden trees. Functional apartment for family or business people. An excellent choice for those who want to be in the heart of the city's events.
