Apartment on a beautiful location, between the National Assembly building and Botanical garden. Situated in superstructure part of a pre-war building. The apartment is housed on the fifth floor, while elevator goes to fourth. It occupies two levels. First level features an open space, followed by a partially separated, fully equipped kitchen. This level also has a bathroom with a shower cabin. Upper level features a central hallway, equipped with closets, a room with private bathroom, as well as two more separated rooms which share another bathroom. This level has slanted ceiling. Interior is equipped with modern office furniture, has 15-20 work spaces and a conference room. Abundant with natural light and comfortable working environment.
